

MINUTES OF MEETING HELD 8th SEPTEMBER

Matters arising: The problem with the Civic Pride bins on the Playing Fields has been resolved satisfactorily.

The Chairman thanked everyone who had helped with manning/creating the display at Newton Carnival.

Financial report: £1494-38

Proposal to investigate the acquisition of the Railway Institute: the application to Pro Help has been successful and a firm of architects and a firm of surveyors, both from Derby, have been assigned to the project. CVP are assisting with a concurrent 'social survey' and we have expressed our interest in applying to a central government sponsored scheme 'Community Builders'.

Parish Council matters: The question of a grit bin for the village has been raised and there is general dissatisfaction at the criteria applied for light-up speed restriction signs for the village.

Date of next meeting: Thursday 29 October, 7.30pm, Westhouses Methodist Church
